

GENERAL INSURANCE DAY 2009

A CELEBRATION OF **Hearts** **Benefits** AT METTA SCHOOL

IN SUPPORT OF A MORE SUSTAINABLE AND INCLUSIVE SOCIETY FOR ALL

The insurance industry plays an important role in contributing towards a sustainable society. With this in mind, this year GIA will commemorate General Insurance Day with a special event at the Metta School for children with mild intellectual disability and autism.

The Metta School students will share their skills and expertise with us across a wide range of creative activities including batik painting, calligraphy, mosaics, pottery and music. There will be the chance for us all to test our own abilities and spend time with the students.
