BLG Speakers	<p>Patrick Foss, Partner, Head of Marine Energy & Trade, Barlow Lyde & Gilbert LLP (London)</p> <p>Patrick specialises in all areas of marine/energy insurance and dispute resolution. A significant part of Patrick’s practice involves advising energy insurers (both offshore and onshore) and reinsurers in respect of claims under construction and operational policies. Patrick also advises a number of offshore contractors and their liability insurers.</p> <p>Patric McGonigal, Associate Director, Barlow Lyde & Gilbert LLP (London)</p> <p>Patric is a senior member of Barlows’ marine energy and trade team in London. He has substantial experience of a broad range of commercial and international trade dispute resolution matters, from marine/energy insurance (predominantly coverage issues) and collateral management disputes to contract of sale, documentary credit and dry shipping disputes. Patric has been based in London since 2000, but having previously spent 5 years working in Shanghai and Hong Kong, he is soon to relocate to Singapore with a view to further developing Barlows’ marine energy and trade practice within the region.</p>										

	<p>Barbara Jennings, Director Offshore, The Standard Steamship Owners' Protection and Indemnity Association (Bermuda) Ltd (London)</p> <p>Barbara is the Standard Club's Director, Offshore, in which role she works with the Club's offshore syndicate to manage and develop the Standard Club's business in the energy sector. She graduated with first-class honours in classics from University of Reading in 1982 and started work in Lloyd's as a claims broker. After joining Charles Taylor in 1989 as a Standard Club claims executive she became a claims director in 1993 and worked with Italian, Dutch, Belgian and Norwegian members before becoming Director, Offshore Claims in 2002. She was appointed Director, Offshore in 2004.</p> <p>Barbara is a Chartered Insurance Practitioner. She is currently a member of the BIMCO Heavycon subcommittee and also sat on the subcommittee which drafted Projectcon. The Standard Club is a leading provider of P and I insurance to shipowners and operators in the global oil and gas industry.</p>
