

UP FOR A CHALLENGING CAREER?

THE RISK MANAGEMENT AND INSURANCE INDUSTRY

Be different.

Stage YOUR Career Success.

Date: 26 Oct 09, Monday

Time: 1pm – 2pm

Venue: NTU LT 3, North Spine

~ GOOD THINGS IN LIFE ARE SELDOM FREE - The BEST ARE SOMETIMES FREE ~

YOU HAVE TO BE HERE TO KNOW.

Dear Undergraduates / Graduating Students,

How are large commercial risks managed? What do actuaries, marine surveyors, underwriters and risk managers have in common? And, how do you fit into the risk management and insurance industry, one of the fastest growing segments in our financial industry?

For the answers to all these questions, join us on 26 Oct 2009, to get the inside view from experienced industry representatives, Mr. Ben Liang from Allianz SE Reinsurance Asia Pacific and Mr. Andy Gunawan from QBE Insurance (International) Limited on 'Up for a Challenging Career ? The Risk Management and Insurance Industry.

We invite you to join us for this talk which will give you a greater understanding and discussion into a business which is an integral part of the global economy.

This will also be a fantastic opportunity for you to find out from the excellent panel of risk professionals on what it means to deal with risks on a daily, real time basis. Only when you discuss with the real risk professionals do you know what it takes to be a part of the exciting action.

About General Insurance Association of Singapore (GIA)

The General Insurance Association of Singapore is the General Insurance industry's trade association whose membership comprises of 33 Ordinary Members and 1 Associate Member, licensed by the Monetary Authority of Singapore (MAS) to transact general insurance business in Singapore.

It aims to promote and advance the common interests of members and the General Insurance industry.

The GIA constitution **Empowers** the Management Committee to Embark on activities that would **Promote** and **Advance** the Common interests of members and the General Insurance Industry through:

- Fostering public confidence in and respect for the insurance industry
- Representing members' interest to Government, Trade Bodies, Similar associations and bodies in other industries
- Establishing a sound insurance structure and promotion of greater efficiency within the industry
- Promoting education and training in all aspects of insurance
- Being a good corporate citizen

About the speakers

MR. BEN LIANG
ALLIANZ SE REINSURANCE ASIA PACIFIC
SENIOR MANAGER, NON-LIFE TREATY DIVISION

Mr. Ben Liang works at Allianz Re Singapore as a Senior Manager in the Non-Life treaty division. Ben has ten years of experience in the general insurance industry with majority of that focused on reinsurance. He has worked as an actuary, consultant, reinsurance broker and now treaty underwriter. He has experience in a wide range of insurance/reinsurance products from workers' compensation, property per risk and catastrophe, medical malpractice, professional liability, general liability to commercial auto. Currently, Ben is responsible for business in Korea, Taiwan, Philippines and Singapore.

Ben is an associate of the Casualty Actuarial Society. He is also a graduate from the University of California at Berkeley with a degree in economics.

MR. ANDY GUNAWAN
QBE INSURANCE (INTERNATIONAL) LIMITED
REGIONAL UNDERWRITING MANAGER
SOUTH EAST ASIA SURETY

Mr. Andy Gunawan was appointed as QBE's Regional Underwriting Manager in September 2008 to commence and develop QBE's Surety business in South East Asia.

Prior to his appointment in QBE, Andy spent four years of underwriting in AIG, moving from within Financial Services area of business to focusing on Surety. Andy was responsible for underwriting and development of AIG's Surety business in South East Asia as well as Australia, New Zealand and Guam.

Previously before joining AIG, Andy was in the Credit & Country Risk Management of United Overseas Bank for five years. During this time, he assessed the Bank's credit risks by analyzing the credit quality of its portfolio of corporate borrowers, and monitoring the Bank's compliance with various statutory and internal credit policies and guidelines. Andy was also involved in the development and implementation of the Bank's internal ratings based approach to comply with Basel II requirements.

Andy holds a Bachelors degree in Banking and Finance from Monash University, Melbourne.

~ See you there! ~
