Experience

Nick has been an insurance broker for 20 years. He recently relocated to Singapore where he is Chief Operating Officer for the Singapore business and Lockton's Asia operations overall.

Until his move to Singapore, Nick was COO for Lockton's retail insurance operations in London, Southern England, Ireland and the Channel Islands.

Nick has comprehensive experience of the general insurance business and has advised clients in a wide variety of industries, including FMCG, logistics, engineering, TMT, power generation, public sector and not for profit organisations.

Nick started his insurance career as a graduate trainee with Willis in 1989. In 1995 he joined Marsh where he spent a varied 10 years and became the youngest office head in the UK business. He joined Alexander Forbes (later acquired by Lockton) in 2005 to run the UK retail businesses in Southern England and the Channel Islands.

Qualifications

Nick is an Associate of the Chartered Insurance Institute and an Economics graduate from the University of Hull.

Nick has also participated in the Marsh Accelerated Leadership Programme (ALP) and is a postgraduate for Certificate in Business Education from University of the West England.
